

# Thank You

Deutz Auctions would like to Thank You for your business this past year and all the previous years. We appreciate the opportunity to work with you and look forward to many more in the future.

If you are interested in selling your land, machinery, building site, home or personal property or in need of an appraisal, give one of us a call and we will be happy to meet with you and decide the best time to sell.

Our rates have been consistent throughout the years and treat both our buyers and sellers with respect. We do not charge any additional buyers premiums.

These are the results of our 2010 and 2011 Land Auctions. If you want to check back for previous years check out our website at [DeutzFamilyAuctions.com](http://DeutzFamilyAuctions.com)
